Step 1. 請向愛發業務索取 30 DAY TRIAL FORM END USER INFORMATION REQUIRED 表單填寫後回傳。

Step 2. 請連結到以下網站 download TP 7.5(不需帳密)

http://www.lambdares.com/CustomerSupportCenter/index.p hp/trace-pro/current-release

Step 3. 安裝完成後啟動 Tracepro 出現以下畫面,並點選 Request Trial License:

🕼 TracePro License Troubleshooter	X
No license is available to run TracePro	
If you are new to TracePro and would like to start a Trial, select Request Trial License	
If you use a USB key to run TracePro, make sure that it is correctly plugged in.	
If you use a USB key to run TracePro and have yet to request a new CodeMeter USB key, select (Requires a current maintenance and support contract)	
If you use or will use a sofkey to run TracePro, select Request Softkey	
If you use a network key, make sure that the new CodeMeter network key is correctly installed on the server and that this computer has access to the network on which the key is installed.	
If you would like to purchase TracePro, select Purchase License	
Exit	

Step 4. 按下 Request Trial License 後一封郵件會自動產生,並包含附件"Codemeter information (context file)",描述申請人公司/姓名後按寄出後,LAMBDA 會於收到申請表後寄回 License file,將 license file 另存在桌面,點 2 下軟體就可以啟動 Tracepro。
